

# YOU CAN PRESS YOUR OWN SEAWEED

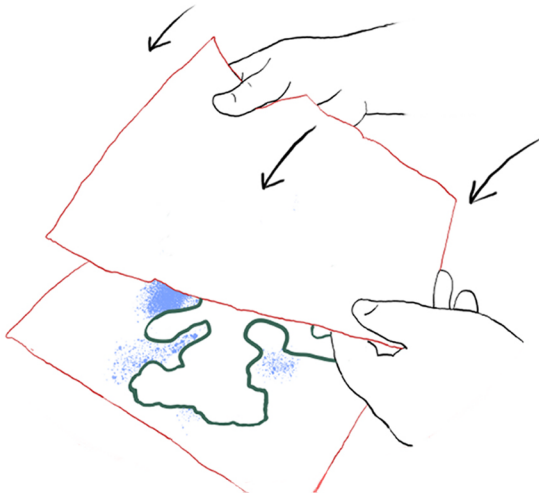

Design an artwork or bunch algae together  
to make a card to give to a friend.

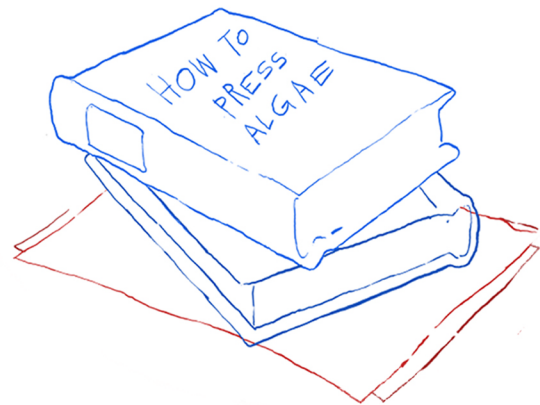

**1** Wash the algae  
in saltwater.

**2** Place the wet algae  
on absorbent paper.

**3** Put a piece of  
muslin (or nappy liners)  
on top of algae.

**4** Put a layer of folded  
newspaper on the top  
and bottom, weigh down  
with something heavy.

**5** Change the paper  
every few days.  
Leave for two  
weeks.
